

General Price List

These prices are effective as of April 13th, 2024. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff and Overhead

Our services include: conducting the arrangements conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

\$2,195

Embalming

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Outer Burial Container Price List

These prices are effective as of July 18th, 2025 and are subject to change without notice. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
